We are delighted to invite you to participate in DyMynd Angels. **Imagine a world where investing in her is more than just the size of the check, and instead is about the power of our collective impact.**

DyMynd Angels is a dual empowerment model intended to cultivate dynamic partnerships between female investors and female entrepreneurs. Our platform educates leading women on the fundamentals of early-stage investing to confidently engage in the startup community and make impactful investments to support women-led businesses. The concept spawns from the belief that everyone should have the opportunity to invest in female leaders and aims to bridge the gap between female investors and founders throughout the Chicago Metropolitan area.

DyMynd Angels will offer the opportunity for all women, regardless of investment experience, to get involved in the entrepreneurial ecosystem in a way that truly supports the people, causes, and beliefs that are uniquely important to them. Combining a stellar lineup of speakers, networking opportunities, hosts, and sponsors who are dedicated to promoting women's financial empowerment, our **events and educational programing** are designed to inspire action and create change.

But we can't do it alone. To help us achieve our goals, we are looking for **Sponsorships**. With your support, we will empower and embolden women to advocate for themselves and make strategic use of their financial power, thereby positively impacting our communities. On the following page you will have an outline of our programming as well as a list of benefits of being a sponsor.

Thank you for your consideration of this request. If you have any questions or concerns, please do not hesitate to contact me at (312) 848-3060 or email me at cleonard@dymynd.com. We look forward to your partnership on this exciting effort for female financial empowerment.

Sincerely,
Carolyn Leonard, DyMynd Angels LLC

THANK YOU FOR YOUR SUPPORT

As a sponsor of DyMynd Angels, you will not only engage an audience of community supporters, corporate professionals, entrepreneurs and investors, but you will also be highlighting your company's dedication to women's financial empowerment and the health and vitality of Chicago.

DyMynd Angels LLC believes deeply that every woman deserves to feel financially empowered. The Engagement, Empowerment, and Education (E3) are the three cornerstones of the DyMynd Angels Model. Our empowering E3 approach to angel investing allows us to cultivate an environment of inclusion and transparency for our members while simultaneously offering a more supportive access to capital for female entrepreneurs. The E3 model ensures that women will be able to engage in the entrepreneurial ecosystem their way, sitting side by side as leaders, while learning and leading together as individuals supporting female entrepreneurs.
